**A4 Digital Colour Laser Printers** 

## RICOH imagine. change.

### RICOH SP C260DNw SP C262DNw SP C262SFNw

# Compact Desktop Printer, With Impressive Colour Quality for Your Everyday Printing Needs

The Ricoh SP C260DNw /SP C262DNw /SP C262SFNw offers professional quality printing for small offices and workgroups. Compact in size, the printers are big on functionality to manage your everyday workloads.

Equipped with wireless connectivity, these printers provide flexibility in where you place them, and mobile printing is made easy from your smart devices. You can expedite your business workflow with added efficiency.

Choose the SP C262SFNw to cater the additional functions demand of copy, scan and fax. The Single-Pass Document Feeder (SPDF) on this printer scans both sides of a two-sided original simultaneously to save time and increase productivity.

## Intuitive and Easy-to-Use 4.3" Full Colour LCD Touch Panel (SP C262SFNw)

Manage your print tasks easily and directly from SP C262SFNw 4.3" intuitive colour touch panel. You can register up to 12 of your favourite jobs using the SP C262SFNw's touch panel for quick access, so you can perform tasks on your MFP even faster.

### Efficient and Cost Saving Functionality

Automatic duplex printing comes standard in these printers, and this certainly helps to reduce paper consumption and contributes to saving natural resources. Designed to maximise efficiency, SP C262SFNw is equipped with Single Pass Document Feeder (SPDF) that accelerates scanning operations for double-sided or multiple-page documents.

### Added value of Flexibility, Convenience, and Mobility

Support for standard wireless connectivity extends the printers' use to a wide variety of smart devices. You can connect your smart devices directly to these printers and easily print on-the-go, no printer drivers required.

The Near Field Communication (NFC) tag on the front of your printer or MFP lets you perform tasks from Android™ devices— work faster by tapping the NFC tag with your smart phone to print with the RICOH Smart Device Connector App, or easily scan documents with the RICOH SP C260 Scan App.

## Incredible Ease of Use and Expanded Paper Capacity Offering

Simplify your workload with unmatched convenience that builds on Ricoh's legacy of affordable, time saving innovations for the workplace. You can change the top-loading, all-in-one toner cartridges easily without help, and without a mess. For longer, uninterrupted print runs, add an optional Paper Feed Unit to maximize the paper capacity of up to 751 sheets at one go.

#### RICOH SP C260DNw / SP C262DNw / SP C262SFNw
