**affordable**

## Fast, High-Quality Printing

Get all the advantages of a large-office laser printer without a big-ticket price. The highly affordable RICOH® Aficio® SP 4210N delivers impressive speed and superior black & white image quality, plus advanced security and workflow tools — all in a compact design that helps cost-conscious customers and mid-size businesses reduce total cost of ownership.

## Achieve Maximum Productivity

Print at top speed with the highest quality.

- Reach a maximum output speed of 37 pages-per-minute and ensure crisp, clean output with full 1200 x 600 dpi resolution.
- Achieve powerful connectivity with a 466 MHz controller and 256 MB RAM (expandable to 512 MB).
- Save time and paper with optional duplexing – part of your Total Green Office Solution that helps minimize environmental impact.
- Increase productivity with a first print speed of less than 7 seconds and a warm-up time of only 19 seconds.
- Archive documents locally and store frequently printed documents with the optional 80GB Hard Disk Drive.
- Minimize network data traffic by maintaining small file sizes with PDF Direct Print.

## Elevate Your Expectations

Create a wider variety of documents with speed and ease.

- Print reports, plans, menus, postcards and more. All paper sources accept sizes up to 8.5" x 14" and paper weights up to 34 lb. Bond — up to 90 lb. Bond in the Bypass Tray.
- Accommodate larger workgroups with an expandable paper supply of up to 1,600 sheets.
- Ramp up mailing productivity with an optional envelope feeder that holds up to 60 envelopes.

## High-End Workflow and Security

- Manage device settings, view job queues and check supply levels from your desktop using standard Web Image Monitor.
- Protect data, documents, passwords and personal information stored on or shared by Ricoh networked devices with optional hard disk drive encryption.
- Increase productivity with Genuine IPDS for host printing in workgroup environments.

## Affordable and User-Friendly

- Ensure the lowest possible total cost of ownership with an aggressive price point and competitive cost-per-page factors.
- Easily access the user replaceable All-In-One print cartridge system and eliminate the need for service calls.
